

Dear customer,

Underneath itinerary summarize the departures for the North Sea during the dry dock period of the Stena Hollandica.

We are happy to announce that we have been able to charter a (small) replacement vessel, but we realise that on certain sailings this may cause some constraints in terms of lanemeters and drivers capacity.

Our Customer Service team will do their utmost to accept your bookings, but please accept our apologies when the limits of the capacity are not always sufficient.

For any questions you may have, please contact our Customer Service team In Hoek van Holland, your local Customer Service Team or your Freight Account Manager.
