

InnoVacc offer testing of Covid-19 in port of Trelleborg!

As of Monday the 8th of March, InnoVacc offer drop-in testing of Covid-19 at the check-in area for cars at port of Trelleborg.

InnoVacc can offer three types of tests to both business and leisure travelers:

- PCR test
- Rapid antigen test
- Antibody test för Covid-19

The tests will be provided by qualified health care professionals. A signed and internationally approved travel-/ health certificate will be issued by a medical doctor.

The rapid antigen test takes 30 minutes and costs 399 SEK incl. health certificate!
